Readiness report guide + 4-week plan

One free test per subject gives a personal report. Read it together for 10 minutes; it shows where your child's time will help most.

1 Read the report in this order

Building	Getting there	Board-ready
below 50%	50–79%	80%+ and 60%+ on board-pattern + HOTS

1. **Score + band:** describes this one practice attempt, not board marks.
2. **Top 3 focus areas:** weakest units first: next week's list.
3. **By unit:** each unit shows its board marks (CBSE curriculum 2026-27).
4. **By level:** L1 Recall · L2 Application · L3 Board-pattern · L4 HOTS. Low L1 → re-read NCERT. Low L3–L4 → more timed board-style answers.
5. **Where you missed:** correct answer + why for every miss.
6. **Progress:** retake after a week; green = the unit went up.

Start here: low % × high unit marks.

2 Good questions to ask

Helps

- "Which unit do you want to fix first?"
- "Explain this one missed question to me."
- "What do you need: time, a quiet place, or a teacher's help?"
- "This unit went up since last week. Good work."

Avoid

- Comparing with siblings, cousins or classmates.
- Turning the % into a board-marks or rank prediction.
- "Only 53%? You'll fail." A low first score is a starting map.
- Checking every day, or taking the phone away over a score.

3 A 4-week plan from one report

Week 1 · Test + read

Take the test once. Read the report together (10 min). Write the top 3 focus units on paper. Revise unit #1 from NCERT; redo its missed questions.

Week 2 · Fix #2 and #3

NCERT first, then the most-repeated question types for those units (free Blueprint PDF). Two timed practice blocks of 30–40 min.

Week 3 · Retake + compare

Retake the test and check the progress table. The new top 3 is this week's list. Add one CBSE sample paper (cbseacademic.nic.in) in a 3-hour sitting.

Week 4 · Board-pattern

Practise L3–L4 questions and full written answers. Keep a one-page mistakes list. Repeat the cycle for the next subject by exam date.

4 Class 12 exam dates 2027 (CBSE date sheet, 06.11.2026)

Physics	Geography	Chemistry	Maths	Economics	Pol. Sci.	Biology	History
Tue 16 Feb	Thu 25 Feb	Sat 27 Feb	Tue 9 Mar	Tue 16 Mar	Fri 19 Mar	Thu 25 Mar	Sat 27 Mar

All papers 10:30 AM – 1:30 PM IST. Check the official date sheet on cbse.gov.in for any change.
